

## COMPLETIONS TERMS AND CONDITIONS

**1. Acknowledgement.** Sale or lease of any goods or equipment (collectively “**Products**”) or the performance of services is expressly conditioned on Buyer’s acceptance of these Terms and Conditions (“**Terms and Conditions**”). Any additional or different terms proposed by Buyer in any document, including but not limited to terms shown on Buyer’s sales order or any other Buyer’s document, are objected to, null and void, and rejected and will not be binding upon Seller unless agreed to in writing by Seller. These Terms and Conditions supersede all prior terms and conditions and shall be the sole Terms and Conditions which apply to any sale, lease, or other furnishing of Products or services. Seller’s performance of any work shall constitute acceptance by Buyer of these Terms and Conditions (sometimes “**Agreement**”). No modifications to this Agreement shall be effective unless such modification is made in writing and signed by an authorized representative of Seller.

**2. Prices and Quotations.** All prices charged will be the prices that are in effect on the invoice date. Prices are subject to change without notice. Except as provided herein or otherwise agreed to by the Parties in writing, prices include packing for Products destined within continental limits of the United States, Canada, and Mexico. Additional charges may be required for crating and for export packing and crating. Price quotations by Seller will not be binding unless otherwise agreed upon in writing. The submission of a quotation by Seller in response to the Buyer’s request does not constitute an expression of acceptance of any term or condition which may have been set forth in purchaser’s request. The Terms and Conditions of sale set forth herein are the only terms and conditions applicable to the sale of the products described on the face hereof, notwithstanding prior invoices.

**3. Payment.**

(a) Unless otherwise agreed, payment is due within 30 days of the date of invoice to those with an established credit standing with Seller. Seller is not required to accept sales on open account and may choose, at any time prior to actual shipment date, to request C.O.D. payment. No discount will be allowed for prompt payment. Payment shall be made to the address listed on the invoice; and shall not be considered paid until Seller receives United States Legal Tender at the address listed therein. Notwithstanding the foregoing, Seller may, in its sole discretion require a substantial deposit for special or non-stock purchases.

(b) Buyer shall pay interest at the rate of one and one-half percent (1.5%) per month (18% per annum), or, if lower, the highest rate permitted by law on past due accounts. Seller shall have the right to suspend the fulfillment of any current, incomplete or future orders until Buyer has paid all past due amounts. If Buyer fails to pay for leased Products, Seller may repossess such Products without notice or legal process. If unpaid amounts are collected through legal proceedings or through an attorney, Buyer shall pay reasonable costs and attorneys’ fees associated with such collection procedures or efforts.

**4. Cancellation.** Orders cannot be suspended or cancelled by Buyer under any circumstances without Seller’s written consent after the date of the sales confirmation. Buyer agrees to pay a minimum charge of 25% of the order amount on standard items. Higher suspension or cancellation charges may apply. Special orders may not be suspended or cancelled. The suspension or cancellation fee for items made to order will be determined on a case by case basis in Seller’s sole discretion, and Buyer agrees to pay up to 100% of the order amount if such suspension or cancellation is

allowed. In addition, Buyer shall also reimburse Seller for any extraordinary cost and other expenses attributable to such suspension or cancellation.

**5. Taxes/Other Charges.**

(a) Any sales, use or other similar type taxes imposed on this sale or on this transaction are not included in the price. Buyer shall pay any federal, state, local, sales, use, excise or similar taxes, duties, fees or other charges, which Seller may be required to pay or collect, under any existing or future law upon or applicable to the sale, purchase, lease, furnishing, manufacture, processing, transportation, delivery, storage, use or consumption of Seller’s product or services. Such taxes shall be billed separately to the Buyer.

(b) Seller will accept a valid exemption certificate from the Buyer if applicable; however, if an exemption certificate previously accepted is not recognized by the governmental taxing authority involved and the Seller is required to pay the tax covered by such exemption certificate, Buyer agrees to promptly reimburse Seller for the taxes paid.

(c) If Buyer delivers equipment to Seller for inspection and repair and Buyer elects not to repair, if requested by Seller, Buyer shall remove such equipment from Seller’s premises within 90 days of delivery to Seller. Buyer agrees to pay Seller’s storage charges for any equipment remaining on premises after the expiration of such 90 day period.

**6. Delivery/Risk of Loss/Title.** All sales are either “Ex Works” or FOB point of shipment, at Seller’s sole discretion, whether or not Seller pays freight. This means Seller fulfills its obligation of delivery when it has made the Products available at either i) its premises (i.e. works, factory, warehouse, etc.); or ii) upon delivery to the common carrier, and shall constitute full and final delivery as provided in INCOTERMS, unless otherwise agreed in a writing signed by Seller and Buyer. Title and risk of loss shall pass to Buyer upon delivery. Seller shall retain title to all leased Products. Notwithstanding the foregoing, in case of Products sold hereunder, Seller retains title, for security purposes only, to all Products until paid for in full in cash, and Seller may, at Seller’s option, repossess the same, upon Buyer’s default in payment hereunder, and charge Buyer with any deficiency. At Buyer’s request, Seller may agree to store Products purchased, however, Buyer accepts the risk, including loss, and the title of the Products purchased and built to Seller’s specifications during the storage time.

**7. Shipping/Delay.** Shipping dates and schedules are subject to prior orders received, availability of adequate labor and equipment and to other unavoidable contingencies as set forth in paragraph 11. Dates of delivery are estimates only, and are dependent upon prompt receipt by Seller of materials and information necessary, in Seller’s sole discretion, to proceed with the work. Seller does not warrant or, in any other way, guarantee delivery dates. Seller reserves the right to choose the facility from which it ships Products to Buyer. Partial shipments of the orders will be made unless the Buyer specifically prohibits partial delivery in the conditions of the request for quotation and the final purchase order.

**8. Acceptance.** Upon delivery, Buyer shall immediately inspect the products for conformity and visible defects. All Products and parts thereof purchased or rented hereunder shall be finally inspected and accepted within ten (10) days after receipt at point of delivery. All claims whatsoever by Buyer (including claims for shortages), excepting only those provided under the Section 10 herein, must be asserted in writing by Buyer within said ten (10) day period if they are waived. If this contract involves partial performances,

all such claims must be asserted within said ten (10) day period for each partial performance.

**9. Return of Products.**

(a) **Non-Defective Products.** Products may not be returned without prior written agreement of Seller and after passing an inspection by Seller to determine if the Products are returnable. As a condition to return all returns must be requested within thirty (30) days of delivery and be undamaged, appropriate for re-sale, and in new condition. In the event Seller agrees to a return, Buyer agrees to make Seller whole, and to pay a minimum restocking charge of twenty-five percent (25%) of the invoice amount. Higher return fees may apply. Under no circumstances may any Products be returned that are used, damaged, specially ordered or manufactured, or not regularly stocked by Seller. If Seller agrees to the return, a credit for the unused Products will be issued to Buyer.

(b) **Rejected Products.** If the Products are rejected on inspection by Buyer, Seller must be notified in writing within ten (10) days from the receipt of the Products or Seller shall have no obligation to correct such defect. Seller shall then have the option of re-inspection at the Buyer’s plant or its own before allowing or disallowing Buyer’s claim. Defects that do not impair service shall not be a cause for rejection, or recovery under the warranty. **No Products shall be returned to Seller (whether due to cancellation of a purchase order or for any other reason not the fault of Seller) without prior written authorization from Seller.** There shall be no revocation of acceptance. Rejection may be only for defects substantially impairing the value of Products or parts thereof, and Buyer’s remedy for lesser defects shall be those provided for under Section 10 herein. If Buyer wrongfully rejects or revokes acceptance of Products tendered under this Agreement, or fails to make a payment when due, or repudiates this Agreement, Seller shall have the right to recover as damages the price of the Products, and upon recovery of the price, the items involved shall become the property of Buyer.

(c) **Shipping.** Unless otherwise agreed, freight and handling charges on returns shall be at Buyer’s expense to Seller’s location. Buyer shall be responsible for any loss or damage to Seller’s Products, or material of supplies, transported by Buyer or by any carrier or conveyance arranged for by Buyer.
