c. Third Party Claims. Notwithstanding the foregoing, to the extent of its negligence, Company and Customer shall each indemnify, defend and hold harmless Claims, of every type and character, which are asserted by third parties for bodily injury, death or loss or destruction of property or interests in property in any manner caused by, directly or indirectly resulting from, incident to, connected with or arising out of the work to be performed, Services to be rendered or materials to be furnished by Customer. h. Anti-Indemnity Savings Provision.

Notwithstanding anything else herein to the contrary, if any tribunal determines that any provision to release, protect, defend, indemnify, and/or hold harmless herein (or any part of such provision) is unenforceable because such provision provides for any person to be protected, defended, indemnified and/or held harmless for its own negligence, gross negligence or other fault, then such provision shall be construed as written, except (i) neither Company Group nor Customer Group shall be released, protected, defended, indemnified, or held harmless for its own negligence, gross negligence or other fault, (ii) if Customer is the indemnifying party therein, Customer shall release, protect, defend, indemnify, and hold harmless Company Group from and against all Claims covered by such indemnity provision to the extent of Customer Group's negligence, and (iii) if Company is the indemnifying party therein, Company shall release, protect, defend, indemnify, and hold harmless Customer Group from and against all Claims covered by such indemnity provision to the extent of Company Group's negligence. In the event that a court shall determine that any governmental requirement shall subject these Terms and Conditions to other limitations other (other than that described in the preceding sentence) on the parties' freedom to obligate themselves to indemnify and/or insure each, then these Terms and Conditions shall be construed to provide the maximum permissible amount of protection from liability to the party claiming the benefit of indemnity or insurance.

In addition, Customer assumes all risk and liability for the results obtained by the use of any material or products delivered hereunder in work performed by on behalf of Customer or in combination with other substances or products.

b. If Customer fails to take delivery or otherwise delays delivery after the Parties agreed delivery date, Company reserves the right to immediately place such goods in storage and charge Customer storage fees at a rate of \$500.00 per day. Company assumes no liabilities while maintaining temporary storage of Customer's

equipment. Company also reserves the right to invoice Customer after the Parties agreed delivery date if such delay in delivery is not due to Company's fault.

13. **Termination.** Company reserves the right to terminate the order at issue, or any part hereof, solely for its convenience at any time without cause with notice to Customer. Upon notification by Company of delivery, Customer shall become liable and shall bear all risk of loss associated with the goods at issues regardless of whether the goods are at a location controlled by Company. Excess packing, marking, shipping, and transportation charges resulting from compliance with Customer's request shall be for Customer's account. Freight charges will be supported by appropriate shipping documents and an administrative fee, as solely determined by Company, will be added to prepaid freight shipments. Unless otherwise agreed in writing, delivery time is not of the essence.

15. **Delays.** Shipping dates and schedules are subject to prior orders received, availability of adequate labor and equipment and to other unavoidable contingencies as set forth in Section 25. Dates of delivery are estimates only, and are dependent upon prompt receipt by Company of materials and information necessary, in Company's sole discretion, to proceed with the work. Company does not warrant or, in any other way, guarantee delivery dates. Company reserves the right to choose the facility from which it ships goods to Customer.

16. **Consequential Damages.** **Notwithstanding any other provision contained herein, Company shall not be liable to Customer Group of any third party for consequential (whether direct or indirect damages), indirect, incidental, special or punitive damages, howsoever arising, including, but not limited to loss of profits (whether direct or indirect damages), revenues, production or business opportunities, WHETHER OR NOT**

Company shall retain this interest until Company has been paid in full.

b. This indemnity shall not apply to (i) any product not manufactured by Company, (ii) any product specially made, in whole or in part, to Customer's design specifications, (iii) any product used in combination with other goods or materials in such a manner that the combination (and not the product manufactured by Company) is the basis for the claim of infringement, (iv) any product for which Company has offered an update or change, which would prevent the claim or suit, and (v) any product that has been altered, modified, or revised by Customer.

c. Section 16 of these terms and conditions excluding any liability for consequential damages is incorporated by reference as if fully set forth here. Company's liability under this indemnity shall not

exceed the amount received by Company for such Product or Services claimed to be infringing.

d. Company may, at its option, (i) procure for Customer the right to continue using the product or service, (ii) modify or replace it in whole or in part to avoid infringement, or (iii) take back the product or discontinue service and refund any fees received by Company for the infringing product or services.

e. This indemnity is in lieu of any other warranty or indemnity, express or implied, with respect to infringement and states Company's entire liability for indemnification for patent, trademark, copyright, and trade secret infringement for goods and services.

f. The sale of any products hereunder does not convey any license by implication, estoppel or otherwise covering combinations of the products with other equipment data or programs. 25. **Force Majeure.** Company shall not be liable for any delay, inability to tender delivery or other failure of performance, or any loss or damage, where such delay, failure of performance, loss or damage results from any cause beyond Company, its suppliers, or contractor's control, including, but not limited to, the elements, weather, lack of or inability to obtain materials, fuel, transportation or supplies, acts of Customer, acts of civil or military authorities, acts of terrorism, insurrection, or war, pandemic, government orders, or other shutdowns, Acts of God, power or utility failures, breakdown of equipment, machinery, tools, or production facilities, differences with workmen, strikes, boycotts, fire, flood, or other casualty, labor shortages, government regulations or requirements, whether similar or dissimilar to those enumerated, and whether or not foreseeable.
